

INVITATION FOR PRE-QUALIFICATION OF PROSPECTIVE PARTIES TO UNDERTAKE THE ESTABLISHMENT OF A COAL TO LIQUIDS FACILITY IN BOTSWANA WITH SUPPORT FROM BOTSWANA OIL LIMITED ON BEHALF OF THE GOVERNMENT OF BOTSWANA

Botswana Oil Limited (BOL), serves as the Government of Botswana's transformation agent in the oil industry and is mandated to ensure the security and efficiency of supply of petroleum products for Botswana, manage state owned strategic fuel reserve facilities, strategic stocks as well as bulk storage and distribution. Wholly owned by the Government of Botswana, the entity is also responsible for facilitating the participation of citizen companies in the petroleum sector.

Introduction:

The Ministry of Mineral Resources, Green Technology and Energy Security (MMGE), through the Department of Energy (DoE) and BOL are seeking prospective private companies and or parastatal bidders to undertake a bankable feasibility study, design, finance, construct, own, operate and maintain a coal to liquids plant in Botswana as a private sector led initiative with support from BOL. The Project aims to diversify Botswana's economy and attain fuel self-sufficiency through the exploitation of the country's abundant coal resources.

Specific Objectives of the Prequalification

The Objective of the Prequalification is to assess and identify organisations' (including joint ventures, consortiums, etc.) bidders who can undertake a bankable feasibility study, design, finance, construct, own, operate and maintain a coal to liquids plant in Botswana to be facilitated by BOL.

A non-refundable deposit of **P1100.00** payable to the BOL account is required prior to being furnished with a pre-qualification document which outlines the modalities of the Prequalification. Details of the account are as follows;
